

October 8, 2024

Dear IAPs,

Greetings from the Global ACI-ICAO AMPAP team in Montreal! We are delighted to share the following news with you.

ACI and ICAO will be launching a new AMPAP Alumni Group from January 1, 2025. This group will be managed internally by the same team that now manages the AMPAP program since 2023.

We invite all graduates, all proud IAPs to join this new initiative that will foster this amazing network of professionals going forward. A special pricing is available for the initial year i.e. 2025, and a newer pricing level from 2026 onwards.

Introductory Pricing for 2025	2025	2026 onwards
Alumni from developed countries	US\$ 110	US\$ 225 per year
Alumni from developing and least developed countries	US\$ 70	US\$ 150 per year

Special: Pay for 5 years and get 2030 for Free

Alumni from developed countries	US\$ 1,010 [$\$110 + (\$225 \times 4)$]
Alumni from developing and least developed countries	US\$ 670 [$\$70 + (\$150 \times 4)$]

Memberships are open and the form to join is located here: [IAP AMPAP Alumni group \(office.com\)](http://IAP AMPAP Alumni group (office.com))

While we are developing several benefits of enrolling in this group, we are already working on some special topics, such as regular webinars on industry specific topics, invitations at special pricing for ACI and ICAO events and conferences.

We will be soon announcing the board members. The current board is invited to continue till the end of 2025. If anyone of them will be unable to do so, we will invite nominations from that region.

Please be advised that Airports Council International (ACI World) and the AMPAP Program are no longer affiliated with International Airport Professional Community of Practice (IAP CoP). As of January 1, 2025, the (AMPAP IAP Alumni Group) is the sole alumni group associated with the AMPAP Program. For any inquiries or matters related to AMPAP alumni activities, please direct them to the (AMPAP IAP Alumni group).

If you have any questions or comments, please feel to reach our team at ampap@aci.aero or the undersigned directly at ggill@aci.aero.

Thanks, and looking forward to welcoming you to a new experience.

Sincerely

Director Global ACI-ICAO AMPAP
